

ROUND VALLEY RESERVOIR PROJECT

PUBLIC INFORMATION SESSION

Members of the public are encouraged to attend this meeting to learn more about the improvements & ask questions about the project.

The project's public involvement efforts aim to keep local communities informed throughout the design and construction process. The New Jersey Water Supply Authority is also committed to addressing public concerns and questions in a timely manner.

TUESDAY, NOVEMBER 14, 2017

6:30 – 8:00 PM

North Hunterdon Regional High School
1445 NJ-31, Annandale, NJ 08801
(in Cafeteria A)
