

NOTICE

Potterstown Road Improvements

Date: 04/17/17

Improvements to the entire length of Potterstown Road will begin on or about 05/01/17. The work will begin at the Rt 22 intersection and involves stabilization of the existing pavement with the application of portland cement. New asphalt base & surface courses will be placed after the road is stabilized.

One-lane of travel will be maintained within the project limits. Please plan an alternate route to avoid travel delays.

Thank you for your cooperation. If you have any questions, please call Gene Vinson from Reclamation, Inc at 845-331-6500 and/or Robert O'Brien, Readington Township Engineer at 908-238-5007.
