

READINGTON TOWNSHIP

Open Space Advisory Board

In Partnership with the N.J. Division of Parks and Forestry

Announces our Fourth Annual

FREE TREE GIVEAWAY!

Saturday, April 29, 2017

**10:00 AM – 2:00 PM; “Rain or Shine”
READINGTON TWP MUNICIPAL BLDG**

509 Route 523, Whitehouse Station NJ 08889

Through the NJ Division of Parks and Forestry, we are obtaining over 1,000 seedlings of various native species to distribute free to you. Up to five trees per household. Replant trees you lost in recent storms or add trees to your yard! Instructions will be available. No early birds. Need not be Readington resident.

The trees are seedlings:

- bare root and range in size from one to four feet in length,
- various deciduous and conifer native species (depending on what selections we receive from the State),
- need to be planted promptly, or must be stored in a cool, damp location prior to planting if not planted immediately,
- need to be protected from deer predation,
- need to be kept watered through the first year or two.

First come, first served. No prior reservations.
