

Readington Township

Community Tree

Planting Event

Sunday, April 30, 2017
10am to 1pm

At

Dobozynski Farm Park

42 Woodschurch Rd, Flemington 08822
One mile from County Road 523, "at the Red Barns"

Help us plant trees! Kids, families, individuals, scouting groups and students - anyone interested in a fun activity that benefits the township or is in need of volunteer hours, please come out to help plant tree seedlings in the surrounding area and in our township tree nursery! Trees planted in the nursery are used to beautify Readington parks and open spaces. A wonderful activity for the kids! Your help, even if you can only stay a short time, will be appreciated! Heavy digging or lifting is not required.

What to bring: If you have them, gloves, spade or shovel, hand trowel. If you don't, do not worry – we will have some on hand.

Prior registration appreciation, but not required. For information, or directions contact John Klotz, jwklotz@embarqmail.com, (908) 782-6452.
